

# **Strategic Commissioning Plan Programme of Work**

**Adult Care & Social Work Committee**  
**14 November 2023**

Graeme Cowan  
Senior Manager, Strategy & Performance

# Strategic Commissioning Plan 2023-2026

- Do the right thing first time
- Increased focus on prevention, early intervention and tackling inequalities by working with communities and people
- Develop and support a workforce for the future
- Improve mental health and wellbeing
- Support people through a whole family approach

## Strategic Alignment

The Plan for North Lanarkshire – renewed Programme of Work priorities

Our Health Together

## Programme Management approach

Identifying and managing programme interfaces and interdependencies

Maintaining communication between programmes

Ensuring adherence to programme and project management standards

- Managing benefits
- Stakeholder engagement
- Risk and issue management

Co-ordinating reporting arrangements

## Human Learning Systems Approach

Learning as management

Test and experiment
